YAD MOSS MOOR, ALSTON, CUMBRIA

Our training program is specifically for Pointers & Setters.

Our Trainers will be a mixture of Field Trial judges, people with experience of shooting over Pointers and Setters and experienced Field Trial competitors. The day will consist of talks, demonstrations and discussions together with practical help, advice and tips on handling your dog. This training day is aimed at the basics requirements needed to reach the minimum standard for working a Pointer or Setter.

The cost of the day will be £35.00

Places will be limited and successful candidates will be notified after the closing date, **29th February 2020.** We will be out on the moor, walking and working the dogs on rough terrain, so please wear suitable outdoor clothing and boots and bring a training line and harness and water for your dog. Please bring a packed lunch.
