The day will consist of talks, demonstrations and discussions together with practical help, advice and tips on handling your dog. This day is specifically aimed at training dogs to be safe and steady around gamebirds.

The cost of the day will be £35.00

Places will be limited and successful candidates will be notified after the closing date, **2nd July 2019.**

We will be out on the moor, walking and working the dogs on rough terrain, so please wear suitable outdoor clothing and boots and **bring a training line** and water for your dog. Please bring a packed lunch.
